

2018 ITEN WIRED Presentation

**The Cyber Coast: At the Forefront of Innovation**

Dr. Eman El-Sheikh  
Director and Professor  
Center for Cybersecurity, University of West Florida

Dr. Eman El-Sheikh, @UWFCyber director, explains why a growing cybersecurity industry, strong defense presence, cyber-conscious government and a nationally-designated academic institution make Pensacola ripe to be a cybersecurity leader on the national and global stages.
